# MARCH 2010

Where in the world is Carmen Sandiago? Why is my computer not connecting to the Internet? How do I get on a walk team?

Typical questions, but not always in my scope of expertise. To the first my reply would be Carmen who? To the second, have you checked to see if it is plugged in? To the third question, the answer would be participate!

Then there comes the question, participate how? This is the easiest one of all to answer. Just look around; there are any number of way to involve yourself in the Emmaus Community.

Let me suggest just a few. In your newsletter there are lists of committees that organize every facet of your community. If you are interested in any specific area, please feel free to give that committee chairperson a call and volunteer to help. One of the areas of need at the present time is the trailer committee. We desperately need persons to help load and unload the trailer for the walks. If you are available please give Janel Young a call.

Your board of Directors is in a prayerful time of selection for Lay Directors for the Fall walks. The greatest need this community has in the area of prayer. Please participate by praying for the successful selection of Lay Directors. Then continue to pray for those walks and the pilgrims involved.

Be proactive in your involvement with Community Gatherings, Closing Ceremonies, and Candlelight Gatherings. There is no substitute for actively attending, and sharing the love that our Father has for us with others. The time that we spend in involvement with other members of the community will only enhance our ability to be a part of the team.

Keep your information in the database up to date. The contact information we have for you is only as good as you keep it. If you have had a change of address or phone number, please let us know by going to our website and filling out the data base form.

How do I get on a walk team? By making yourself available!

De Colores,

Don Martin

What a wonderful community we have and what awesome servants make up this community! Because of your generous, servant hearts, I'm coming to you in need of some help. We are in need of churches willing to host our community gatherings. If your church could possibly host us, please contact me, Kathey Hodges, at 325-823-3543 or at [kookienell@sbcglobal.net](mailto:kookienell@sbcglobal.net). We are in desperate need of a church to sponsor for the next quarter, April, May, and June. Thanks so much.
