Texas law requires that a person having cause to believe that a child's physical or mental health or welfare has been or may adversely affected by abuse or neglect by any person shall immediately make a report to any local or state law enforcement agency or the Department of Human Services, Child Protective Division.

Do you agree that if you are notified during the Chrysalis weekend that a Chrysalis participant has been a victim of an unreported sexual offense, family violence, or sexual abuse, you will report the matter to both the Lay and Spiritual Directors, who will in turn report it to the proper authorities?

\_\_\_\_\_ Yes      \_\_\_\_\_ No

I understand that this signed form gives the Big Country Chrysalis Community the authorization to obtain a Criminal Background check on me, with the above information and that this information will be kept in a file used by the Big Country Chrysalis Community. I also understand that refusal to sign this form will automatically disqualify me from serving on a Chrysalis event.

I swear or affirm the above information is true and correct to the best of my knowledge so help me God.
